Reference: 30 Day Post-General Report (10/19/00-11/27/00)

Dear Mr. Avella:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Commission Regulations require that a committee disclose the identification of all individuals who contribute in excess of \$200 in a calendar year. (11 CFR §104.3(a)(4)(i)) Identification for an individual is defined as the full name, mailing address, occupation and name of employer. (11 CFR §100.12) Your report discloses contributions from individuals for which the identification is not complete.

You must provide the missing information, or if you are unable to do so, you must demonstrate that "best efforts" have been used to obtain the information. To establish "best efforts," you must provide the Commission with a detailed description of your procedures for requesting the information. Establishing "best efforts" is a three-fold process.

First, your original solicitation must include a clear and conspicuous request for the contributor information and must inform the contributor of the requirements of federal law for the reporting of such information. (11 CFR §104.7(b)(1))

Second, if the information is not provided, you must make one follow-up,

stand alone effort to obtain this information, regardless of whether the contribution(s) was solicited or not. This effort must occur no later than 30 days after receipt of the contribution and may be in the form of a written request or an oral request documented in writing. (11 CFR § 104.7(b)(2)) The request must:

- clearly ask for the missing information, without soliciting a contribution;
- inform the contributor of the requirements of federal law for the reporting of such information, and
- if the request is written, include a pre-addressed post card or return envelope.

Third, if you receive contributor information after the contribution(s) has been reported, you shall either a) file with your next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before your next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR §104.7(b)(4))

Please provide the missing information or a detailed description of your procedures for requesting the information. For more information on demonstrating "best efforts," please refer to the Campaign Guide.

-The coordinated expenditure schedule (Schedule F) should disclose the following information: identification of the authorizing committee, the payee's name and address, the purpose of the expenditure as well as identification of the candidate supported, the date and amount of the payment and the aggregate general election expenditure total for each candidate supported. Please amend Schedule F by providing the identification of all candidates supported. 2 U.S.C. §441a(d)

-Schedule H2 indicates the allocation ratio for the GC Saratoga 2000 fundraising event was revised during the reporting period. Please provide the date of the fundraising program or event. In the case of a telemarketing or direct mail campaign, the "date" is the last day of the telemarketing campaign, or the day on which the final direct mail solicitations are mailed. 11 CFR §106.5(f)(2) In the event that an excessive non-federal transfer was received, the excessive amount should be transferred back to your non-federal account.

-On Schedule H2, you disclose the ratio for GC Saratoga 2000 to be revised; however, it appears that this activity/event was not previously reported. Please amend your report to clarify this discrepancy. 11 CFR §104.10(a)(1)

-Please clarify all expenditures for "GOTV phone consulting". In addition, if any of the voter registration or get-out-the-vote activities referenced House or Senate candidates, they should be allocated accordingly, unless merely incidental to the overall activity. If a portion or all of these expenditures were made on behalf of federal candidates, they should be reported on Schedules B, E or F for Lines 23, 24 or 25 of the Detailed Summary Page, as appropriate.

-Your EVENT YEAR-TO-DATE calculations for Administrative/Voter are incorrect. EVENT YEAR-TO-DATE totals for administrative and voter drive costs are derived by aggregating all disbursements during the calendar year for the whole Administrative/Voter Drive category. EVENT YEAR-TO-DATE totals for fundraising, direct candidate support, and exempt activities are derived by aggregating all disbursements during the calendar year within a specific event. These should be calculated by adding the latest disbursement for a category or event to the previous EVENT YEAR-TO-DATE total for that category or event. This running EVENT YEAR-TO-DATE total should be disclosed after each disbursement is listed. Please amend your report by providing the correct EVENT YEAR-TO-DATE totals.

-Schedule H3 of your report discloses transfers received from your non-federal account which occur outside the permissible transfer period. Please be advised that transfers for shared activity must be made within a 70-day time period: no more than 10 days before or 60 days after the payment to the vendor. 11 CFR §§106.5(g)(2) and 106.6(e)(2) Please clarify the nature of these transfers-in from the non-federal account.

The Commission recommends that you immediately transfer the total excessive amount received by your federal account outside the 70-day time period back to your non-federal account. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

A written response or an amendment to your original report(s) correcting the above
